

## Can you complete the challenge?

At St George and St Martin's we want our children to learn as many skills as possible and have as many different experiences as they can during their time with us. We have therefore created....

50 things to do before you are 5 years old at St George and St Martin's

|                           |                           |                         |   |                            |
|---------------------------|---------------------------|-------------------------|---|----------------------------|
| Bake a cake               | Visit Hanley Museum       | Go on a mini beast hunt | Splash in a muddle                                    | Build a snowman            |
