

Summer Reading Challenge

- You can join the challenge by visiting your local library any time from **Saturday 5th July** and telling library staff that you'd like to join the **Summer Reading Challenge**.
- If you can't make it into your local library, then you can also join in with the reading challenge online via the **Summer Reading Challenge website**. Scan the QR code (bottom right) for the website.
- We are challenging you to visit your library three times and read six books during the summer holidays - it doesn't matter what you read as long as you enjoy what you read!
- With each of your three library visits we'll have some little goodies to give you - such as stickers.
- When you complete your challenge, you'll receive a certificate to take home and keep. Bring your certificate into school for us to share in assembly and collect your Dojo points. What a way to start the school year!
- There are lots of fun reading related events taking place locally over the summer. Some of these are shown below:

Stoke Library
