

P.E Formative Report

End of Autumn term – PHe has ensured SGSM have managed to attend all Collegiate extra-curricular events, often attending herself too.

PHe has documented evidence that all teachers have begun to use the new SoW and assessment tools. Ongoing CPD will continue to ensure Staff feel comfortable with the new system.

The Wall of Fame has now been set up and work will continue so that children are rewarded for effort and progress in P.E.

Pascal has done a fantastic job in a new role since September.

End of Spring term – As the Spring term draws to a close P.E at SGSM is positioned well. PHe has submitted evidence showing that all members of Staff are using the updated Schemes of Work, mountains and assessment trackers. This is happening more frequently than the last data capture at the end of the Autumn term.

CPD for Staff in P.E has been constant throughout the year – both in teaching 1 – to 1 and with staff from SGSM attending multiple training days (ran by CSi and other external sources) – Phe has ensured that SGSM have been represented in all CPD training opportunities.

SGSM have continued to be ever present in all Collegiate extra-curricular events, PHe has been instrumental in ensuring children at SGSM benefit from a broad range of opportunities.

End of year report – P.E has had a successful year in 24/25 at SGSM and is positioned in a fantastic position moving into 25/26. As Ms. Arnold returns and works alongside Mrs Hepple, the School's next steps are to begin to run interventions independently and continue the great work within lesson time (perhaps affording attention to the new Dance schemes). During the summer term, Mrs Hepple has organised a whole school 'Sports Stars' day, lead an Active Avengers intervention and hosted SGSMs first ever football match on our Astro against OLSB. PH has attended multiple Town and City events during this term.

A huge thank you & well done to Ms. Hepple who has looked after the subject with aplomb!

PE leadership actions

Complete	
New Schemes of Work distributed	
Assessment trackers distributed	
Mountains set up and running in all classes (KS2 formal recording – evidence of progression)	
Sports Stars/Activ8 groups selected	
Wall of Fame/P.E Focal point set up
