HELLO!

Dear Year 1's,

We hope you and your families have had a holy and happy Easter in each other's company and despite the lockdown, we hope you have all had a visit from the Easter Bunny.

Mrs Ladeira loved starting Easter Sunday with a lovely cup of coffee and a nibble (or two of chocolate) to celebrate the end of my Lenten fast.

We hope that you have been enjoying this special time with your families and are adjusting to your time at home. Do try to get out into the fresh air each day, keeping both your bodies and mind active.

We are missing you all so please keep us updated with messages and photos of what you are up to via the school's Facebook page or our class email: year1@sghsmnewman.co.uk.

Stay safe.

Best wishes

Mrs Ladeira, Mrs Griffiths and Miss Lees
