

Year—Reception

Class Letter—Week Beginning 25.05.20

Dear Reception parents and children,

It has been lovely talking to you all again on the phone this week. I have heard that lots of you have been enjoying the sunshine in your gardens, going for walks to the park and even having an ice cream. I have also heard about how hard you have been working at home on your home learning packs. It has been great to hear that you have enjoyed completing these activities at home. This week is half term so I haven't planned any home learning for you; instead enjoy the sunshine and have lots of family time together.

I look forward to seeing some of you very soon!

Take care and keep safe,

Mrs Dean
