

Year 1

Class Letter—Week Beginning 11.05.20

Dear Year 1's,

I made a mistake in last week's newsletter; last week was actually week 7 which means that today marks the start of week 8! We want to begin by saying a big well done for your continued hard work at home.

Last week Mrs Griffith's loved catching up with you all over the phone. She was pleased to hear that you have all been very good for Mums and Dads at home; helping with chores, keeping your baby brothers and sisters entertained and just generally remaining positive. Well done!

We hope that you managed to complete some of the WW2 and VE day activities and that you and your families were able to join in with some festivities to celebrate this very special occasion – the 75th anniversary of the end of WW2 in Europe. In the Ladeira household we enjoyed a barbeque in the sunshine and then had a lovely traditional cream tea. It made me feel very British indeed. The highlight for me was watching the Red Arrows on T.V. as they flew over London.

Next week's home learning will once again be helping you to focus on our animal theme. Remember, just do your best and have a go at as much as you can. Try a bit of every subject, but you don't have to complete every single thing.

English

We would love it if you could email us your animal riddles to read, year1@sgsmnewman.co.uk.

Do remember to use your phonics to help you spell your words.

Maybe you can ask Mum or Dad to play some of the phonics games on Phonics Play?

Maths

Practice your bonds of 10 (pairs of numbers that make 10) and then using these can you memorise the bonds of 20?

E.g. $1 + 9 = 10$ $1 + 19 = 20$
 $2 + 8 = 10$ $2 + 18 = 20$
 $3 + 7 = 10$ $3 + 17 = 20$ etc.

We are so very proud of you all; we know that you will keep up the effort with your learning while you are at home. Stay positive and stay safe, keep smiling and make sure you continue to behave.

Always thinking of you,

Mrs Ladeira, Mrs Griffiths and Miss Lees
