26th June 2020

Dear Parents,

During these very strange times, I wanted to write to you to update you with our plans for reports this year.

You will be receiving your child's report via e-mail next Friday, 3rd July. This report was written during school closure and takes into account your child's learning up to 20th March.

The report is very comprehensive and gives you a large amount of information about your child.

If you would like to discuss your child's report, you will have the opportunity to book a telephone appointment for Tuesday 7th July between 12pm and 5pm. You will book on the Scopay system in the usual way you would book a Parents' Evening appointment. The Scopay system will be open for bookings from Friday 3rd July at 2pm until Monday 6th July at 2pm.

Teachers will telephone you between 12pm and 5pm on Tuesday 7th July. You will have a 10 minute appointment time to discuss the report and your child's progress between September and March (or if your child has returned to school their progress upon returning).

If you would like to discuss plans for September or the work that your child has missed, please use your fortnightly telephone conversation with your child's classteacher to discuss this. You can also contact the school office to talk to me about any concerns you have about September or the work missed.

We will be sorting out children's work and PE kits left at school before closure and you will be asked to collect these on the days below between 8:30am and 4pm. Any items not collected will be disposed of. We have some unnamed bags, which we will put out on the collection days. Please do not pick up bags unless they belong to you. If you are unable to make the day given to you and would like work and/or PE kit, please contact the school office to arrange collection at a different time. If your child is in school, they will bring home their work as normal at the end of the term.

Day	Class
Monday 6 th July	Nursery and Reception
Tuesday 7 th July	Year 1 and Year 6
Wednesday 8 th July	Year 3
Thursday 9 th July	Year 4
Friday 10 th July	Year 5

Thank you so much for your support during the 'Team meetings' this week and your support throughout the time since closure.
